OF POOL RULES** →

# Pool Rules:

- **YMCA LIFEGUARD HAS FINAL AUTHORITY.**
- It's the rule, one long whistle -exit the pool immediately.
- For your safety, children 6 and under must be actively supervised by an adult, 18 years or older.
- **All patrons under 18 years old must meet ONE of the following:**
  - Successfully pass a swim test (25 yards continuous swim and tread water for 1 minute).
  - Stand comfortably in chest deep water in the entire swim zone.
  - Wear a properly fitted United States Coast Guard (USCG) approved Personal Flotation Device.
  - Be within arm's reach of an adult (only one non-swimmer per adult)
- Please **WALK** on the pool deck.
- Prolonged underwater breath holding is dangerous and prohibited.
- USCG approved lifejackets **ONLY** may be used.
- **No inflatables** of any kind are permitted
- All pool equipment must be used appropriately.
- Swimming without a certified lifeguard on duty is prohibited.
- Swim diapers are required for swimmers who are not potty-trained
- Showering before entering the pool is required.

# Lap Swimming Rules:

- To avoid accidents, when entering an occupied lane, acknowledge to the current swimmer that you are there.
- If there are 1 or 2 swimmers in a lane, they may elect to split the lane in half and each swimmer take a side. The entrance of a third swimmer immediately changes the lane to "circle" swimming format.
- Be aware that sharing a lane will often be required during busy pool times.
- Try to choose a lane with swimmers that most nearly match your speed.

# Pool Temperatures:

- Pool Temperatures will remain at 82°F throughout the year. Our guidelines from YMCA of the USA and YMCA of San Diego County are as follows:
  - Pool water temperature is no less than 78°F for lap and recreation swim and no less than 80°F for instructional programs.
  - Pool temperatures for parent-child classes is maintained at 82°F

# Swim Test Information:

Swim tests are regularly administered. To ensure safety, please have your child take our swim test. Once they have successfully passed the test, their name will be kept on the list. Next time the swimmer will just need to get a wristband from a lifeguard. The list is posted for up to one month. Swim test must be re-taken in the next month.

## Swim Wristbands:

**RED** – Must wear a lifejacket at all times

**YELLOW** – Shallow area ONLY (swimmer meets the height requirement to not wear a lifejacket)

**GREEN** – Can swim in all areas of the pool.
